CLERK U.S. DISTRICT COURT  
WEST. DIST. OF PENNSYLVANIA

Hello there. I submitted an email to Dr. Ross concerning her retrieving my arraignment/bond hearing transcripts from 8/11/15 in which FBI agent Robert Werner recanted his statements in which he retracted the statement that FBI agent Timothy Pivnichny, who I had claimed for over ten years in litigation "set me up" by brandishing/threatening his firearm towards my fiancée Meredith Bondi and tampered with physical evidence in the case by repairing an Orbit II DVD/CD Copier before trial and demonstrating it, received telephone calls from me. Werner stated that the calls "did not connect" and Pivnichny never received them. For over ten years I tried to get the FBI to investigate this but they never did instead they covered it up and sent me for a mental evaluation. I attempted to get them to investigate this by bringing these issues up in the case itself which is USA v. Banks, 03-CR-245 (WDPA) and by filing litigation against the FBI and numerous complaints including a complaint to FBI headquarters. The filed litigation is of course documented on the public record and can easily be googled (Google "Frederick Banks v Timothy Pivnichny"). I already spent 9 months being evaluated by Dr. Robert Wettstein who stated that I was competent. Wettstein also previously found me competent to represent myself at a previous federal revocation hearing in which pro se I got one of the charges dismissed. Also, in a previous federal case I represented myself at trial. I went to school to be a paralegal and worked for a law firm and now own and operate a legal research firm called Hamilton Brown [www.facebook.com/hamiltonbrownfirm](http://www.facebook.com/hamiltonbrownfirm) along with numerous other businesses. See @fredbanks123 on [www.twitter.com](http://www.twitter.com). I wanted to make sure she receives that and that you document this email in your system. Thanks.

All Adrian Roe, Esq must do is file a Motion to Disclose the CIA electronic surveillance pursuant to 18 USC § 1806(f) and 18 USC § 1825(g) seeking an order from the Court to disclose all and any electronic surveillance on defendant from 2003 to present by the government.

This Motion will end this mental nonsense. I demand that counsel file the Motion and I admonish Counsel for failing to visit me since October 15, 2015. ABA Code of Conduct requires attorneys to stay in contact and communication with their clients. Counsel has not done so. What Roe needs to do is

File the Motion!!! ASAP! I requested through

several letters that he do so yet almost 1 year later he still has not done this.

Inmate Work Assignment: arraignment transcripts

Hi Dr. Ross this is Frederick Banks when you talk to counsel or the aUSA or the court can you make sure you get the transcripts from the 8/11/16 arraignment/bond hearing in USA v. Banks 15-CR-168(WDPA) because in that transcript the FBI agent S.A. Robert Werner recanted a previous statement he made to the grand jury. He stated the alleged phone calls did not connect and "T.P." never received them. I wanted you to see that.

Also, Wettstein's report is inaccurate in that it doesn't have me as an American Indian which is my race it has me as African American I tried to tell him that the BOP classifies me as an American Indian.

Lastly, I wanted you to know that I'm a recording musician my band is called Vampire Nation See:
